

## About us

### ABOUT US

We are a development company in Kusadasi, Turkey, operating in the construction and International real estate sector since 1999. In the previous 10 years AYAZ HOMES acted solely as a real estate agent in Istanbul and Izmir. Giving a total of 19 years of experience in construction and sales of property.

Our service include;

- Planning and Organisation
- Project Construction and Control
- Decoration
- Renovation
- Turn Key Projects

Our aims are to provide a first class service and product to all of our clients, foreign and domestic.

As a development company we have completed many previous projects but presently we have 9 projects ongoing. These are at different stages of development some completed some ongoing and ready to start.

Over the past 10 years, AYAZ HOMES has taken pride in successfully constructing and selling many hundreds of apartments and villas to Turkish and foreign clients.
